

PAUL SPYHALSKI
1st District Commander

On March 1st, it was my privilege to be present for the charter presentation to our newest squadron, Squadron 52 at Blooming Prairie. Thank you to Detachment Commander Gary for his presentation of the charter.

We had a good turn-in at the Appreciation Rally to get us to 86%. That should put our District at 272 members short of 2,000.

Some of our feedback from our squadrons at our District Mid-Winter was the need for more communication between all the levels of the SAL. This coming year, the First District will be creating a district directory so we can get more information directly to the squadrons.
