

AMERICAN LEGION LEGACY RUN
Steve Sullivan

The plans are still in the making at this time but I can tell you that the Legacy Run will be the first two weekends in August 3,4,5 August 10,11,12. We split the State down the middle and we'll have a east and west Run, with the West side of the state first and the East side second. Our goal is to raise \$50,000.00 this year. Last year The American Legion Riders with the help of The American Legion Family raised over \$34,000.00. Outstanding Job by All, Thank You.
